

# Ortega Enterprises

## Employer Description:

We are a family-run company with 7 generations of hospitality and customer service experience. In addition to running several national parks and state parks concessions, we also operate Ortega's on the Plaza, Yippee Yi Yo, and the Thunderbird Bar and Grill on The Plaza in Santa Fe, NM.

We find great pride in taking on under-performing concessions, turning them around, and bringing them up to and beyond the expectations of the NPS and park visitors. Our success is in large part due to the fact that we do not consider the National Parks just another business. We consider it a privilege to work as junior partners with the NPS to keep the parks "America's Best Idea."
